- Fairfield Core and Recycling
- Lancaster Metals and Recycling

Appliances

- AEP - Turn in your old appliance through the Appliance Recycling Program and: Get paid - Receive a \$50 incentive check plus FREE, convenient pick up of your old appliance. Save Money and Energy - Remove an old working refrigerator or freezer from service and save up to \$150 a year in energy costs. Protect the Environment - 95% of the unit is recycled and chemicals are properly disposed. This program is funded by AEP Ohio and is available to its electric customers residing in Ohio. Customers must own the unit(s) being recycled. Refrigerators and freezers must be empty, in working condition and a minimum of 10 cubic feet in size, utilizing inside measurements. AEP Ohio contracts with JACO Environmental, an appliance recycler, to pick up and recycle refrigerators and freezers that are in working condition. The \$50 incentive check will be mailed to you 4-6 weeks after the appliance collection. Please note: Program funding is limited. Participation will be on a first-come, first-served basis. There is a limit of two appliances per customer. Sign up online or call 1-877-545-4112 to schedule your pickup. For additional information about program participation or to check on the status of a rebate, please call 877-545-4112.

Hazardous Waste (Business)

- Environmental Specialists, Inc operates a recycling facility in Heath. This service is available to businesses. They have two recycling programs that fit the needs for disposal of many items. The Fluids Management/Recycling program includes used oil, solvents, non-hazardous wastewater treatment, oily water and industrial coolants. The Hazardous Waste Management/Recycling program includes fluorescent bulbs, mercury vapor lamps, most lamps and ballasts, various batteries, computer equipment, paints and solvents, contaminated gasoline, gas tanks, empty drums, and oily debris disposal. Call 740-404-6209 for more information.

Hazardous Waste (Household)

- Environmental Enterprises Inc. owns and operates a collection facility in Columbus, one block south of the Ohio State Fairgrounds. The address is 1249 Essex Ave. From I-71, take the 11th Street Exit, turn west to Essex St. Turn left onto Essex and right onto East 8th St. Enter the parking lot at 645 East 8th St. The facility is open 9 am till 5 pm on Fridays. The telephone number is 614-294-1300. The price to drop off materials is \$50 per car (including SUVs) and \$100 per truck (including vans). Examples of acceptable materials are pesticides, fertilizers, solvents, thinners, paints, pool or lawn chemicals, cleaners, batteries, prescription drugs, fire extinguishers, propane tanks, mercury, florescent bulbs, driveway sealer, gasoline, antifreeze, motor oil, and thermostats. This is for residential material only. **NO BUSINESS WASTE IS ACCEPTED.**

Directory

Helium Tanks

- Made of steel or aluminum, these tanks can be recycled or disposed with your regular trash once the pressure has been released. The valve should be open and the tank marked "EMPTY". Follow the directions that came with the tank. Some haulers will not pick these up, so check with your hauler first. The Lancaster City Transfer Station will accept helium tanks that are empty and have no pressure.

Industrial Materials

- U.S.T. Environmental Contractor, Inc. - "UST" has developed a program to maximize utilization of our natural resources while minimizing the costs and long term liability associated with conventional landfill or other disposal options. This Material Exchange Service gives business and industry an alternative to throwing away materials that could be used for other purposes.

Ink Cartridges

- Best Buy - Every U.S. Best Buy store has free kiosks, just inside the door, for you to drop off inkjet cartridges, batteries, cell phones, CDs/DVDs, PDAs, smart phones and Best Buy gift cards.
- Community Action Recycling Center

Mercury (Thermostats / Thermometers)

- Fairfield County Health Department – please remove any unnecessary housing or parts before depositing.

Oil (motor oil)

- All Star Auto Care
- Community Action Recycling Center – Accepting used motor oil free from water, antifreeze and other contaminants.
- Madison Township
- Milby Muffler and Brake Shop
- Scott's Marathon Service Center
- Walnut Township

Other ("difficult to recycle items")

- TerraCycle is on a mission to eliminate the idea of waste. They do this by creating waste collection programs (each one is called a "Brigade") for previously non-recyclable, or difficult-to-recycle, waste. The collected waste is then converted into new products, ranging from recycled park benches to upcycled backpacks. www.terracycle.com/en-US

Packaging Material

- UPS Store

Paint

- Use leftovers to paint closets, garage, doghouse, etc. Donate to parks, day care, churches, theater groups etc. Store paint properly for future use. Seal lids and keep labels readable. **If disposal is necessary:** Remove lids if no more than half full. Set out in a well ventilated area away from children and pets. Add kitty litter or sawdust to speed drying process. After paint is dried, it can be put out with the household trash.

Directory
