I agree to the conditions set forth below for the loan of

Lancaster-Fairfield Community Action's Special Event Recycling Containers:

- The containers are and will remain property of the Lancaster-Fairfield Community Action Recycling Program.
- Each container must be cleaned inside and out (e.g., no dirt, soil or residue) before they are returned. Failure to return containers in a clean condition will result in loss of future privileges.
- Each container is numbered and must be returned in the same condition it was when it was loaned to the Borrower. The Borrower is responsible for all containers borrowed.
- Due to the expense of the containers, a deposit of **\$40.00** will be required in the event that any of the containers become lost, stolen or damaged. The deposit will be released to the Borrower upon return of all containers to 1761 East Main St. Lancaster, OH in their original condition.
- The containers must be picked up from and returned to the Community Action Recycling Center by the Borrower or the organization represented by the Borrower.
- The borrower will be responsible for unloading the recyclables from the containers and transporting them to a recycling facility. Bags should be used inside the containers to make collection of the recyclables easier (55 gallon bags work best).
